#### **KAM PHILLIPS**

Kam Phillips is a master facilitator who integrates financial literacy and emotional intelligence to prepare students and professionals for career success. His authenticity, transparency, and relatability have allowed him to genuinely connect with his audience and become a respected resource in personal development. Kam uses his experiences and professional training to create a simple framework that helps people enhance both their emotional and financial wellness.

Throughout his life journey, Kam personally battled with mental health challenges, veered on dangerous paths, and conquered many other obstacles that our youth experience. After being recruited to play collegiate basketball then excelling in the investment management industry with companies such as E-TRADE, AllianceBernstein, and JPMorgan Chase, Kam decided to walk away from his corporate career and use his gifts to invest in the next generation.

Kam holds a Bachelor of Economics from Emory University, is a Certified Professional Coach, Diversity, Equity, & Inclusion in the Workplace Certified, and Certified in Youth Mental Health First Aid. He is also the author of The Bigger Picture: A Guide to Personal, Relational, & Emotional Growth. Through the TRUE Change program, Kam walks alongside educators and youthcentered organizations to focus on developing teens, students, and early career professionals into emerging leaders.
